

# Town of McMillan Residents and Neighbors

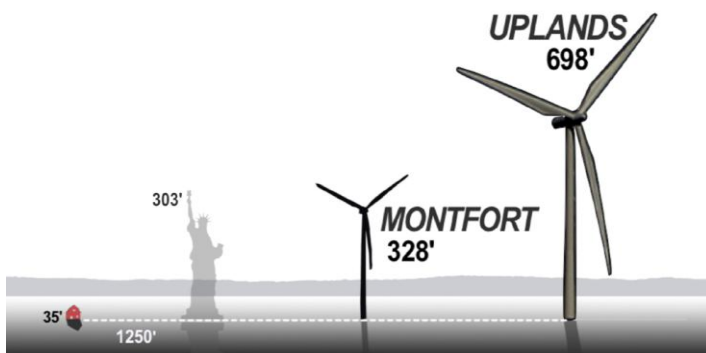

Join us for an informational meeting on  
**industrial wind turbines!**

**When: March 12, 2025, 7–9 PM**

**Where: Stratford Heritage Barn  
208268 State Hwy 97**

**Hosted by concerned citizens of McMillan Township  
and Wisconsin Advocates for Responsible Energy-WARE**

Learn how industrial-scale wind turbines can affect our property values, public health, livestock, environment, and wildlife. Get informed about the **Wind Energy Licensing Ordinance** and what it means for our area.

Imagine, Rib Mountain is the third highest point in Wisconsin and Granite Peak Ski Area has Wisconsin's longest vertical drop at **700 feet**. Statue of Liberty is 303 feet. Compare that to the proposed **600 foot wind turbines!**
